### ***What current Phoenix Press Sales Professionals have to say:***

The honesty and integrity level I have enjoyed at Phoenix Press is unmatched in my experience. The unique business model Phoenix Press employs allows me to focus on my clients' needs and challenges, instead of fighting to get my jobs produced.

I sleep at night knowing that I work for a company that is continuously evolving to meet and exceed not only my expectations, but also those of my clients', eliminating unpleasant surprises and excuses.

– Lisa Stahl, 13 years in the Print Industry with LBA in Toledo, Ohio and Northwestern Printing, St. Clair Shores, Michigan

I never thought that on time delivery and consistent quality could be a reality in the Print Industry. My life has changed dramatically by working with a company that actually honors all its commitments on a basis that is fair and equal, providing predictable delivery and quality on every project.

– Myron Tink, 35 years in the Print Industry.
